Kelly & Pierce, Sellers

"My husband and I had a wonderful selling experience with everyone on the Laurie Dau team! From our first meeting with Laurie we knew we were in capable, knowledgeable, professional hands with her and her entire team! They provided thoughtful recommendations to help our home sell quickly (which is exactly what we wanted) and a stress-free paperwork process. We came to rely on Laurie and her team for their reliable, objective support and guidance, and that's what makes this much more than a testimonial, it's our #trustimonial."

Pat & Linda, Buyers & Sellers

"We sold our home of 35 years and purchased our forever home with the Laurie Dau Team. They were helpful, friendly and knowledgeable about the current market. We would recommend the Laurie Dau Team to anyone looking to sell, buy or both. They made a stressful time pleasant and easy."

Nicole & Keith, Buyers & Sellers

"It was truly a pleasure working with Laurie Dau and her team! Laurie's expertise helped us to prepare our home to put on the market, list for the best price and sell within a week. Laurie and her team were very responsive and knowledgeable, answering any questions we had along the way thoroughly and quickly. We highly recommend the Laurie Dau team!"

Darryl & Lori, Sellers

"Laurie, Amanda, and team were incredible throughout the entire process of selling our home. I could not imagine an easier experience with such a complicated process. I said to Laurie that it felt strange never having any questions, but that was just because this team was proactive, great communicators, and very professional. I'd be happy to recommend Laurie to my friends and family! ... Oh, and she sold my house in 5 days! Thanks again!!!"

Bill & Lee Anne, Buyers & Sellers

"There is so much talk of discounted services and selling on your own. All I can say is; Don't be shortsighted! Laurie sold our house on day one of Pre-Sale. She found us our dream home before it ever hit the market. Her commitment to us started with a meeting where she explained the process and offered options. Her attention to our needs, incredible support team and industry knowledge simplified a process filled with details, deadlines and wants. Everything was state of the art and allowed my wife and I to focus on our lives as we moved through settlements. Stop looking. You found the answer to selling your house and buying your dream home!"

Levent, Seller

"To work with Laurie and her team is a privilege!

They are very professional, disciplined and right on the task. We purchased house offered by Laurie and a month later she sold our old house. Both events were smooth and excellent. I highly recommend it!"

Mark & Deirdre, Buyers & Sellers

"Laurie and her team have been extremely professional and with a personal touch that was quite comfortable for us. Recommendations on repairs and staging the house for viewing were good and not overwhelming in any fashion. She has a solid knowledge of the market and provided good feedback. The whole experience was quite nice. Deirdre and I would recommend Laurie and her team without hesitation."

Crystal, Buyer & Seller

"I had an incredible experience with the Laurie Dau team! I could count on them to handle every detail in selling my home and in buying my new home with expertise. They were knowledgeable, friendly and always available for each and every question or need that came up! I put my faith in this team and I was not disappointed. They were helpful with every aspect of the move! You won't be disappointed!"

David & Cass, Sellers

"The Laurie Dau team is an excellent realty team. Laurie and her colleagues always promptly returned calls, texts, or emails. She is very well informed about the area and is very knowledgeable about real estate transactions including knowing lenders, realtors, title companies, cleaning crews, stagers, etc. even contractors for repairs that we needed. The team is a wealth of information. We appreciated that different team members were responsible for specific areas of our sale making each of them qualified and articulate on any questions. They kept us informed through the closing process and kept us on track so no deadlines or documents were delayed. All members of the team are well spoken and professional, and handled all negotiations for us mannerly and timely. Laurie and team went above and beyond their duties as our agents. You can have complete confidence in this team!"

Jennifer, Seller

"Laurie worked harder than anyone could imagine to prep, market and sell our home in record time - 12 days! Although this is clearly remarkable, the most amazing part of our experience with Laurie was the enormous dedication and energy she put into selling our home. She went above and beyond using not only her business and marketing expertise, but her compassion for our family and the stress of moving three young children in a very short time. Laurie not only dedicated herself professionally, but also personally, resulting in an unprecedented quick turn around and smooth closing along with the comfort in knowing that Laurie truly cared for our family and the work she was doing to sell our home."

Dave & Patty, Buyers & Sellers

"We completed a home purchase with Laurie in Oct 2017 after using her services to both buy and sell a house 5 years previously, so we have a long and positive track record working with her. We whole heartedly can recommend Laurie."

Tim & Johanna, Sellers

"Laurie and her team were a pleasure to work with. They went above and beyond to help close our house. She priced our home accurately, which helped us get an offer in the first week at our asking price, which gave us leverage in the negotiations. I highly recommend Laurie and her team as sellers agents."

Lori & Chris, First Time Homebuyers

"I knew my husband and I found our broker the minute we met Laurie Dau. We had dealt with 2 other brokers prior to meeting her and I was simply blown away by her and her team. She was professional, savvy, efficient and so attentive to our needs. We had a rather complicated sale on our property in Brooklyn (brokered by a group in that area) which was creating one misfire after the other for Laurie Dau and her team. She tackled every last issue and walked me through everything AND constantly checking in via call/text with updates. I think Laurie's biggest attribute is her ability to negotiate.... she got us EVERYTHING we wanted. My cousin has been in the business for a long time (Berkshire Hathaway, Westport CT) and said she has never seen a broker go this far above and beyond for any client. I will be sending more business their way. In fact, my mother has become a client of this group and is working with Yadi who is also outstanding. And of course, there is Amanda Kim who is SUPER fast and replies to emails within the hour. She ought to be a press secretary for the White House."

Alex & Carmen, Buyers & Sellers

"They were always prompt with communication, organized and had a timeframe for every step of the way, and handled everything with the highest degree of professionalism. I debated getting an agent at first and thought I could handle the process on my own. I was completely wrong and have no regrets."

Vince & Cynthia, Buyers & Sellers

"Laurie helped us sell our house and find our next home in less than 45 days! She is always quick to get back to you with precise and helpful information and her calming personality makes the whole process a little less stressful."

Paul & Julie, Buyers & Sellers

"Laurie came to us highly recommended. We began working with her in 2012. Over the last several years, she has helped us with a number of properties. There is no one we trust more. Her professionalism, kindness and patience is unsurpassed. Thank you Laurie!"
